* Adult Bird Workshop

An information session for all bird carers to be involved in sharing their knowledge. If you have attended a bird training day previously it is asked you still attend this training day. All NATF bird carers who have not attended a bird training course are expected to attend this workshop. All bird carers are welcome to upgrade and share your skills. Numbers limited so please book early.

**Possum Workshop

It is expected that all possum carers who have not attended possum training within the previous two years will attend this workshop.

xOiled Bird Workshop

This workshop is for all bird carers to not only gain the knowledge and skills needed for an emergency oil spill but also to adequately treat the many single oiled birds which are received into NATF care.

†Orphaned Bird Workshop

This workshop should be attended by all bird carers.

Please Note

- Children over the age of one (1) year are not permitted at workshops
- Under 18yrs old who are part of a family membership and who remain under the supervision of the parent(s) at all times may attend workshops at a cost of \$5.50 (excluding snake handling, bats and flying foxes or workshops nominated by the NATF Management Committee. Cost for children at the two day Introduction to NATF & NPWS and Basic Handling & Rescue is \$5.00.
- Unless otherwise indicated you should register your arrival at the workshop by 9.15am. Workshops have a prompt start at 9.30am and finish at 4pm.
- Lunch options: For workshops held at the Shortland Wetland Centre there is a café on site or BYO food and refreshments. Morning and afternoon tea provided at the Introduction to NATF & NPWS Workshops. For workshops held at NATF members' property BYO food and refreshments. If other options are available, this will be indicated.
- Introduction to NATF & DECC Workshop is for all new members wishing to be activated in the NATF
