Welcome to Wildlife Whispers...

Welcome to our first monthly flyer 'Wildlife Whispers'. Upon our members request we have introduced this flyer to open the communication to you all on what is currently happening within our group.

We hope you all enjoy reading this issue and please let us know if you have any items to share in future Wildlife Whispers.

In caring,
Audrey Koosmen, President
Hunter Wildlife Rescue, NATF Inc.

What first-time Carers really need to know.

- Keep rescued fauna in a warm, dark, quiet area
- Check for wounds and injuries
- Contact your Species Coordinator or Mentor
- Be prepared by sourcing equipment from charity shops and our Pre-Loved Corner
- Reach out to your peers for assistance and support
- Don't panic, be patient with your progress
